About Us

Youth Outreach Services (YOS) is dedicated to caring for youth in and around Chicago, inspiring positive development in their lives, families, and communities. Founded in 1959, YOS serves approximately 2,500+ youth and their families each year through a wide variety of prevention, counseling, juvenile justice, and child welfare services.

At YOS, we believe in the potential of every young person. YOS is a nonprofit 501(c)3 organization that offers a comprehensive range of essential services to youth from underprivileged and underserved communities in Chicago.

Many of our youth face severe difficulties that run deep. We aim to inspire positive development so that our clients and their families can confidently overcome challenges with ongoing support that empowers them to thrive for a lifetime. YOS responds to the needs of young people wherever they may be, whether within school programs, clients' residences, or our own offices.

YOS believes all kids are capable of excellence and are committed to providing the community-based support they need to overcome challenges and achieve success.

Our Mission

Youth Outreach Services promotes the strengths and abilities of youth and families by providing community-based services that empower and enrich each to face life's challenges with confidence, competence, and dignity.

Our Vision

A society that treasures the safety, well-being and self-worth of every child.

Our Values

Compassion

Compassion is at the heart of our work. We treat all the youth we serve as if they were our own children. YOS believes that every young person deserves our support, and we strive to treat them with the care and attention they deserve. Our goal is to help them make positive choices and provide them with opportunities to grow and succeed.

Diversity

Diversity – We welcome and respect the uniqueness of every young person, family, and community we serve with an inclusive approach and diverse team.

Impact

Impact – We provide life-changing programs for youth and families, inspiring them to make a positive impact today and in the future. We deliver impactful and positive programs for youth and their families, enhancing their lives now and in the future.

Perseverance

Perseverance – We are dedicated to equipping all young people with the necessary skills to overcome obstacles and achieve success, regardless of their circumstances.

Collaboration

Collaboration – We rely on our staff, communities, supporters, funders, and partner agencies to help our youth succeed.

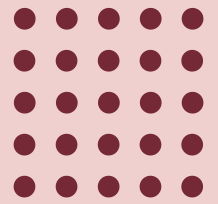

WHY IT MATTERS?

YOS is committed to serving high-risk youth in Chicago's underserved communities, many of whom do not receive support from other local nonprofits. Each year, we assist nearly 3,000 young people, many of whom have been involved in the juvenile justice or child welfare systems and face challenges like domestic violence, homelessness, mental health issues, and substance use. Over 70% of those we serve are persons of color, and 90% are low-income.

WHAT WE DO?

EMPOWER YOUTH.

STRENGTHEN COMMUNITIES.

At Youth Outreach Services (YOS), we are committed to transforming the lives of young people across Chicagoland through prevention, counseling, juvenile justice support, and child welfare services.

Every day, our dedicated team meets youth where they are—at home, in school, or in the community—to provide critical resources and unwavering support.
